

# Fisher Family Day

## Friday, November 19, 2021

Dear Fisher Families,

Friday, October 29, 2021

Fisher Family Day presents “Shine Bright in Red, White, and Blue” songs of America on **Friday, November 19, 2021**. Students are *encouraged* to wear patriotic or red/white/blue clothes.

To make the day a success here are the guidelines:

- **ONLY 2 adults per Fisher Family!**
- Families will check in and view the musical performance in the gym.
- **No guest access inside the school building or book fair.** Parents can send money in person, create an e wallet, or purchase online for the book fair.
- Face masks are highly encouraged.
- Please leave backpacks at home on this day (this is to allow a quick release to the parent).
- **Students are allowed to check out after their performance.**

You will need a proper photo ID and a handwritten note of release from the parent (**if you are not the parent**). If the correct items of release are not presented, the student will not be released. This is for the student’s safety.

For more information/questions, please **promptly** call the front office.

## We are looking forward to your visit!
